WHATS NEW IN NEVADA ELECTIONS

***Automatic Voter Registration** at the Nevada DMV - During your transaction with the Nevada DMV, you will be automatically registered to vote, unless you choose to opt out of registration. Registration and Updates processed through the DMV must abide by the Standard Registration Deadline, October 6, 2020.

Mail/Absentee Ballot All active registered voters will receive a mail ballot for the 2020 General Election. All voted mail ballots must be dropped off or mailed by Election Day. Mail ballot return envelopes must be postmarked on or before Election Day and received by the Election Department on or before the seventh day after Election Day. If you decide to vote in-person instead of by mail, you will need to do one of the following:

- Surrender your mail ballot (preferably in the packet sent to you) to an election official at the voting site.
- If you do not surrender your ballot, you will sign an affirmation at the voting site swearing that you have not already voted in the current election and that you understand no one may attempt to vote or actually vote more than once in the same election.

Restoration of Right to Vote law has changed for Nevada residents with felony convictions in Nevada or in any other state who are currently not in prison. They are now allowed to immediately register to vote. This also applies to persons whose voter registration had been previously cancelled because of a felony conviction and to persons who are currently on probation or parole. No special procedures or paperwork are required. Such persons need only follow the standard procedures for voter registration and must also satisfy the standard voter registration eligibility requirements.

Provisional Voting will now include a full ballot, regardless of the reason for casting a provisional ballot. This means they will contain all offices, candidates, and questions that would be on a regular ballot for the voter's precinct. After an election, the Secretary of State will establish a system, such as a website or toll-free number, to inform voters of provisional status.

COMMUNITY OUTREACH

It is the mission of the Clark County Election Department to build, strengthen, and expand outreach programs to create community networks that will participate in supporting new programs, promoting our current services, recruiting workers, and motivating electors to exercise their right to vote. In our efforts, we have collaborated with community based organizations that we seek to partner with in an effort to expand their ability to provide voter registration services and voter education services to citizens.

If your organization would like to learn more regarding voter outreach, voter education or speaker services, please contact the **Administration Division at (702) 455-2944.**

RAISE THE VOTE PROGRAM

In addition to serving the community, your organization or school club can also use this opportunity to raise funds. Each club provides personnel to staff a Vote Center. We provide the training.
