# Voter Registration Statistics

- Why does this matter?
  - “Closed” Primary election
    - Democratic Party – 34%
    - Republican Party – 30%
    - Everyone else – 36%
  - To update or change Voter Registration:
    - <https://registertovote.nv.gov/>
    - Update 14 days prior to election to receive a mail ballot (May 31, 2022)

The screenshot shows the 'Online Voter Registration' page for Nevada. At the top, there is a blue header with the text 'Online Voter Registration' and a small 'En Español' link. Below the header, the main heading is 'Nevada Voter Registration'. Underneath, a welcome message reads: 'Welcome to the Nevada Secretary of State's voter registration application. What would you like to do today?'. There are four prominent buttons: a green button for 'New Voter Registration', a blue button for 'Update My Existing Voter Registration', a red button for 'Cancel My Existing Voter Registration', and a grey button for 'View My Existing Voter Registration'.

# Voter Registration Statistics

- 2022 filing period has ended: 22 candidates for Governor
  - 16 Republican candidates
  - During the 2018 Primary
    - 22.9% turnout across all party affiliations
    - 29.3% turnout from Republican party (143,645 of 490,642 voters)
  - If 50% turnout from Republican party during 2022 Primary, then:
    - 275,908 votes split 16 ways may mean that the Republican candidate for Governor at General Election could be selected by <100,000 voters.
- Other factors:
  - Non-partisan & Minor Party Same Day Registration changes
