Sec. 3. State indebtedness: Limitations and exceptions. The State may contract public debts; but such debts shall never, in the aggregate, exclusive of interest, exceed the sum of two per cent of the assessed valuation of the State, as shown by the reports of the county assessors to the State Controller, except for the purpose of defraying extraordinary expenses, as hereinafter mentioned. Every such debt shall be authorized by law for some purpose or purposes, to be distinctly specified therein; and every such law shall provide for levying an annual tax sufficient to pay the interest semiannually, and the principal within twenty years from the passage of such law, and shall specially appropriate the proceeds of said taxes to the payment of said principal and interest; and such appropriation shall not be repealed nor the taxes postponed or diminished until the principal and interest of said debts shall have been wholly paid. Every contract of indebtedness entered into or assumed by or on behalf of the State, when all its debts and liabilities amount to said sum before mentioned, shall be void and of no effect, except in cases of money borrowed to repel invasion, suppress insurrection, defend the State in time of war, or, if hostilities be threatened, provide for the public defense.

The State, notwithstanding the foregoing limitations, may, pursuant to authority of the Legislature, make and enter into any and all contracts necessary, expedient or advisable for the protection and preservation of any of its property or natural resources, or for the purposes of obtaining the benefits thereof, however arising and whether arising by or through any undertaking or project of the United States or by or through any treaty or compact between the states, or otherwise. The Legislature may from time to time make such appropriations as may be necessary to carry out the obligations of the State under such contracts, and shall levy such tax as may be necessary to pay the same or carry them into effect.

Section 1. Uniform and equal rate of assessment and taxation; exceptions and exemptions; inheritance and income taxes prohibited.

The Legislature shall provide by law for a uniform and equal rate of assessment and taxation, and shall prescribe such regulations as shall secure a just valuation for taxation of all property, real, personal and possessory, except mines and mining claims, which shall be assessed and taxed only as provided in Section 5 of this Article.**
- 2. Shares of stock, bonds, mortgages, notes, bank deposits, book accounts and credits, and securities and choses in action of like character are deemed to represent interest in property already assessed and taxed, either in Nevada or elsewhere, and shall be exempt.**
- 3. The Legislature may constitute agricultural and open-space real property having a greater value for another use than that for which it is being used, as a separate class for taxation purposes and may provide a separate uniform plan for appraisal and valuation of such property for assessment purposes. If such plan is provided, the Legislature shall also provide for retroactive assessment for a period of not less than 7 years when agricultural and open-space real property is converted to a higher use conforming to the use for which other nearby property is used.**
- 4. Personal property which is moving in interstate commerce through or over the territory of the State of Nevada, or which was consigned to a warehouse, public or private, within the State of Nevada from outside the State of Nevada for storage in transit to a final destination outside the State of Nevada, whether specified when transportation begins or afterward, shall be deemed to have acquired no situs in Nevada for purposes of taxation and shall be exempt from taxation. Such property shall not be deprived of such exemption because while in the warehouse the property is assembled, bound, joined, processed, disassembled, divided, cut, broken in bulk, relabeled or repackaged.**
- 5. The Legislature may exempt motor vehicles from the provisions of the tax required by this Section, and in lieu thereof, if such exemption is granted, shall provide for a uniform and equal rate of assessment and taxation of motor vehicles, which rate shall not exceed five cents on one dollar of assessed valuation.**
- 6. The Legislature shall provide by law for a progressive reduction in the tax upon business inventories by 20 percent in each year following the adoption of this provision, and after the expiration of the 4th year such inventories are exempt from taxation. - 9. No income tax shall be levied upon the wages or personal income of natural persons. Notwithstanding the foregoing provision, and except as otherwise provided in subsection 1 of this**

Section, taxes may be levied upon the income or revenue of any business in whatever form it may be conducted for profit in the State.

10. The Legislature may provide by law for an abatement of the tax upon or an exemption of part of the assessed value of a single-family residence occupied by the owner to the extent necessary to avoid severe economic hardship to the owner of the residence.

Sec. 2. Total tax levy for public purposes limited. The total tax levy for all public purposes including levies for bonds, within the state, or any subdivision thereof, shall not exceed five cents on one dollar of assessed valuation.

[Added in 1936. Proposed and passed by the 1933 legislature; agreed to and passed by the 1935 legislature; and approved and ratified by the people at the 1936 general election. See: Statutes of Nevada 1933, p. 369; Statutes of Nevada 1935, p. 428.]

[Added in 1982. Proposed by initiative petition and approved by the people at the 1980 and 1982 general elections.]

Sec. 3[A]. Food exempt from taxes on retail sales; exceptions. The legislature shall provide by law for:

1. The exemption of food for human consumption from any tax upon the sale, storage, use or consumption of tangible personal property; and

2. These commodities to be excluded from any such exemption:

(a) Prepared food intended for immediate consumption.

(b) Alcoholic beverages.

[Added in 1984. Proposed and passed by the 1981 legislature; agreed to and passed by the 1983 legislature; and approved and ratified by the people at the 1984 general election. See: Statutes of Nevada 1981, p. 2093; Statutes of Nevada 1983, p. 2113.]

Sec. 4. Taxation of estates taxed by United States; limitations. The legislature may provide by law for the taxation of estates taxed by the United States, but only to the extent of any credit allowed by federal law for the payment of the state tax and only for the purpose of education, to be divided between the common schools and the state university for their support and maintenance. The combined amount of these federal and state taxes may not exceed the estate tax which would be imposed by federal law alone. If another state of the United States imposes and collects death taxes against an estate which is taxable by the State of Nevada under this section, the amount of estate tax to be collected by the State of Nevada must be reduced by the amount of the death taxes collected by the other state. Any lien for the estate tax attaches no sooner than the time when the tax is due and payable, and no restriction on possession or use of a decedent's property may be imposed by law before the time when the tax is due and payable in full under federal law. The State of Nevada shall:

1. Accept the determination by the United States of the amount of the taxable estate without further audit.

2. Accept payment of the tax in installments proportionate to any which may be permitted under federal law.

3. Impose no penalty for such a deferred payment.

4. Not charge interest on a deferred or belated payment at any rate higher than may be provided in similar circumstances by federal law.

Sec. 5. Tax on proceeds of minerals; appropriation to counties; apportionment; assessment and taxation of mines.

1. The legislature shall provide by law for a tax upon the net proceeds of all minerals, including oil, gas and other hydrocarbons, extracted in this state, at a rate not to exceed 5 percent of the net proceeds. No other tax may be imposed upon a mineral or its proceeds until the identity of the proceeds as such is lost.

2. The legislature shall appropriate to each county that sum which would be produced by levying a tax upon the entire amount of the net proceeds taxed in each taxing district in the county at the rate levied in that district upon the assessed valuation of real property. The total amount so appropriated to each county must be apportioned among the respective governmental units and districts within it, including the county itself and the school district, in the same proportion as they share in the total taxes collected on property according to value.

3. Each patented mine or mining claim must be assessed and taxed as other real property is assessed and taxed, except that no value may be attributed to any mineral known or believed to underlie it, and no value may be attributed to the surface of a mine or claim if one hundred dollars' worth of labor has been actually performed on the mine or claim during the year preceding the assessment.

[Added in 1989. Proposed and passed by the 1987 legislature; agreed to and passed by the 1989 legislature; and approved and ratified by the people at a special election held on May 2, 1989. See: Statutes of Nevada 1987, p. 2443; Statutes of Nevada 1989, p. 2229.]

Sec. 6. Enactment of exemption from ad valorem tax on property or excise tax on retail sales.

[Effective November 25, 2008, if the proposed addition is agreed to and passed by the 2007 Legislature and approved and ratified by the voters at the 2008 General Election.]

1. The Legislature shall not enact an exemption from any ad valorem tax on property or excise tax on the sale, storage, use or consumption of tangible personal property sold at retail unless the Legislature finds that the exemption:

(a) Will achieve a bona fide social or economic purpose and the benefits of the exemption are expected to exceed any adverse effect of the exemption on the provision of services to the public by

the State or a local government that would otherwise receive revenue from the tax from which the exemption would be granted; and

(b) Will not impair adversely the ability of the State or a local government to pay, when due, all interest and principal on any outstanding bonds or any other obligations for which revenue from the tax from which the exemption would be granted was pledged.

2. In enacting an exemption from any ad valorem tax on property or excise tax on the sale, storage, use or consumption of tangible personal property sold at retail, the Legislature shall:

(a) Ensure that the requirements for claiming the exemption are as similar as practicable for similar classes of taxpayers; and

(b) Provide a specific date on which the exemption will cease to be effective.

(Proposed addition passed by the 2005 Legislature; effective November 25, 2008, if agreed to and passed by the 2007 Legislature and approved and ratified by the voters at the 2008 General Election. See Statutes of Nevada 2005, p. 3048.)

The interest only earned on the money derived from these sources must be apportioned by the legislature among the several counties for educational purposes, and, if necessary, a portion of that interest may be appropriated for the support of the state university, but any of that interest which is unexpended at the end of any year must be added to the principal sum pledged for educational purposes.

[Amended in 1886, 1889, 1912, 1916, 1980, and 1988. [Effective through November 24, 2008, and after that date if neither of the proposed amendments is agreed to and passed by the 2007 Legislature and approved and ratified by the voters at the 2008 General Election.]

- 1. Notwithstanding the provisions of Section 1 of Article 4 of this Constitution, but subject to the limitations of Section 6 of this Article, the people reserve to themselves the power to propose, by initiative petition, statutes and amendments to statutes and amendments to this Constitution, and to enact or reject them at the polls.**
- 2. An initiative petition shall be in the form required by Section 3 of this Article and shall be proposed by a number of registered voters equal to 10 percent or more of the number of voters who voted at the last preceding general election in not less than 75 percent of the counties in the state, but the total number of registered voters signing the initiative petition shall be equal to 10 percent or more of the voters who voted in the entire state at the last preceding general election.**
- 3. If the initiative petition proposes a statute or an amendment to a statute, the person who intends to circulate it shall file a copy with the secretary of state before beginning circulation and not earlier than January 1 of the year preceding the year in which a regular session of the legislature is held. After its circulation, it shall be filed with the secretary of state not less than 30 days prior to any regular session of the legislature. The circulation of the petition shall cease on the day the petition is filed with the secretary of state or such other date as may be prescribed for the verification of the number of signatures affixed to the petition, whichever is earliest. The secretary of state shall transmit such petition to the legislature as soon as the legislature convenes and organizes. The petition shall take precedence over all other measures except appropriation bills, and the statute or amendment to a statute proposed thereby shall be enacted or rejected by the legislature without change or amendment within 40 days. If the proposed statute or amendment to a statute is enacted by the legislature and approved by the governor in the same manner as other statutes are enacted, such statute or amendment to a statute shall become law, but shall be subject to referendum petition as provided in Section 1 of this Article. If the statute or amendment to a statute is rejected by the legislature, or if no action is taken thereon within 40 days, the secretary of state shall submit the question of approval or disapproval of such statute or amendment to a statute to a vote of the voters at the next succeeding general election. If a majority of the voters voting on such question at such election votes approval of such statute or amendment to a statute, it shall become law and take effect upon completion of the canvass of votes by the supreme court. An initiative measure so approved by the voters shall not be amended, annulled, repealed, set aside or suspended by the legislature within 3 years from the date it takes effect. If a majority of such voters votes disapproval**

of such statute or amendment to a statute, no further action shall be taken on such petition. If the legislature rejects such proposed statute or amendment, the governor may recommend to the legislature and the legislature may propose a different measure on the same subject, in which event, after such different measure has been approved by the governor, the question of approval or disapproval of each measure shall be submitted by the secretary of state to a vote of the voters at the next succeeding general election. If the conflicting provisions submitted to the voters are both approved by a majority of the voters voting on such measures, the measure which receives the largest number of affirmative votes shall thereupon become law. If at the session of the legislature to which an initiative petition proposing an amendment to a statute is presented which the legislature rejects or upon which it takes no action, the legislature amends the statute which the petition proposes to amend in a respect which does not conflict in substance with the proposed amendment, the secretary of state in submitting the statute to the voters for approval or disapproval of the proposed amendment shall include the amendment made by the legislature.

4. If the initiative petition proposes an amendment to the Constitution, the person who intends to circulate it shall file a copy with the secretary of state before beginning circulation and not earlier than September 1 of the year before the year in which the election is to be held. After its circulation it shall be filed with the secretary of state not less than 90 days before any regular general election at which the question of approval or disapproval of such amendment may be voted upon by the voters of the entire state. The circulation of the petition shall cease on the day the petition is filed with the secretary of state or such other date as may be prescribed for the verification of the number of signatures affixed to the petition, whichever is earliest. The secretary of state shall cause to be published in a newspaper of general circulation, on three separate occasions, in each county in the state, together with any explanatory matter which shall be placed upon the ballot, the entire text of the proposed amendment. If a majority of the voters voting on such question at such election votes disapproval of such amendment, no further action shall be taken on the petition. If a majority of such voters votes approval of such amendment, the secretary of state shall publish and resubmit the question of approval or disapproval to a vote of the voters at the next succeeding general election in the same manner as such question was originally submitted. If a majority of such voters votes disapproval of such amendment, no further action shall be taken on such petition. If a majority of such voters votes approval of such amendment, it shall, unless precluded by subsection 5 or 6, become a part of this Constitution upon completion of the canvass of votes by the supreme court.

5. If two or more measures which affect the same section of a statute or of the Constitution are finally approved pursuant to this Section, or an amendment to the Constitution is finally so approved and an amendment proposed by the Legislature is ratified which affect the same section, by the voters at the same election:

- (a) If all can be given effect without contradiction in substance, each shall be given effect.
- (b) If one or more contradict in substance the other or others, the measure which received the largest favorable vote, and any other approved measure compatible with it, shall be given effect. If

the one or more measures that contradict in substance the other or others receive the same number of favorable votes, none of the measures that contradict another shall be given effect.

6. If, at the same election as the first approval of a constitutional amendment pursuant to this Section, another amendment is finally approved pursuant to this Section, or an amendment proposed by the Legislature is ratified, which affects the same section of the Constitution but is compatible with the amendment given first approval, the secretary of state shall publish and resubmit at the next general election the amendment given first approval as a further amendment to the section as amended by the amendment given final approval or ratified. If the amendment finally approved or ratified contradicts in substance the amendment given first approval, the secretary of state shall not submit the amendment given first approval to the voters again.

Notwithstanding the provisions of Section 1 of Article 4 of this Constitution, but subject to the limitations of Section 6 of this Article, the people reserve to themselves the power to propose, by initiative petition, statutes and amendments to statutes and amendments to this Constitution, and to enact or reject them at the polls.

2. An initiative petition shall be in the form required by Section 3 of this Article and shall be proposed by a number of registered voters from each congressional district in this State equal to 10 percent or more of the number of voters who voted at the last preceding general election in the congressional district. The number of registered voters required to file the initiative petition must be determined at the time the copy of the initiative petition is filed with the Secretary of State pursuant to this Section.

3. If the initiative petition proposes a statute or an amendment to a statute, the person who intends to circulate it shall file a copy with the Secretary of State before beginning circulation and not earlier than January 1 of the year preceding the year in which a regular session of the Legislature is held. After its circulation, it shall be filed with the Secretary of State not less than 30 days prior to any regular session of the Legislature. The circulation of the petition shall cease on the day the petition is filed with the Secretary of State or such other date as may be prescribed for the verification of the number of signatures affixed to the petition, whichever is earliest. The Secretary of State shall transmit such petition to the Legislature as soon as the legislature convenes and organizes. The petition shall take precedence over all other measures except appropriation bills, and the statute or amendment to a statute proposed thereby shall be enacted or rejected by the Legislature without change or amendment within 40 days. If the proposed statute or amendment to a statute is enacted by the Legislature and approved by the Governor in the same manner as other statutes are enacted, such statute or amendment to a statute shall become law, but shall be subject to referendum petition as provided in Section 1 of this Article. If the statute or amendment

to a statute is rejected by the Legislature, or if no action is taken thereon within 40 days, the Secretary of State shall submit the question of approval or disapproval of such statute or amendment to a statute to a vote of the voters at the next succeeding general election. If a majority of the voters voting on such question at such election votes approval of such statute or amendment to a statute, it shall become law and take effect upon completion of the canvass of votes by the Supreme Court. An initiative measure so approved by the voters shall not be amended, annulled, repealed, set aside or suspended by the Legislature within 3 years from the date it takes effect. If a majority of such voters votes disapproval of such statute or amendment to a statute, no further action shall be taken on such petition. If the Legislature rejects such proposed statute or amendment, the Governor may recommend to the Legislature and the Legislature may propose a different measure on the same subject, in which event, after such different measure has been approved by the Governor, the question of approval or disapproval of each measure shall be submitted by the Secretary of State to a vote of the voters at the next succeeding general election. If the conflicting provisions submitted to the voters are both approved by a majority of the voters voting on such measures, the measure which receives the largest number of affirmative votes shall thereupon become law. If at the session of the Legislature to which an initiative petition proposing an amendment to a statute is presented which the Legislature rejects or upon which it takes no action, the Legislature amends the statute which the petition proposes to amend in a respect which does not conflict in substance with the proposed amendment, the Secretary of State in submitting the statute to the voters for approval or disapproval of the proposed amendment shall include the amendment made by the Legislature.

4. If the initiative petition proposes an amendment to the Constitution, the person who intends to circulate it shall file a copy with the Secretary of State before beginning circulation and not earlier than September 1 of the year before the year in which the election is to be held. After its circulation it shall be filed with the Secretary of State not less than 90 days before any regular general election at which the question of approval or disapproval of such amendment may be voted upon by the voters of the entire State. The circulation of the petition shall cease on the day the petition is filed with the Secretary of State or such other date as may be prescribed for the verification of the number of signatures affixed to the petition, whichever is earliest. The Secretary of State shall cause to be published in a newspaper of general circulation, on three separate occasions, in each county in the State, together with any explanatory matter which shall be placed upon the ballot, the entire text of the proposed amendment. If a majority of the voters voting on such question at such election votes disapproval of such amendment, no further action shall be taken on the petition. If a majority of such voters votes approval of such amendment, the secretary of state shall publish and resubmit the question of approval or disapproval to a vote of the voters at the next succeeding general election in the same manner as such question was originally submitted. If a majority of such voters votes disapproval of such amendment, no further action shall be taken on such petition. If a majority of such voters votes approval of such amendment, it shall, unless precluded by subsection 5 or 6, become a part of this Constitution upon completion of the canvass of votes by the Supreme Court.

5. If two or more measures which affect the same section of a statute or of the Constitution are finally approved pursuant to this Section, or an amendment to the Constitution is finally so approved and an amendment proposed by the Legislature is ratified which affect the same section, by the voters at the same election:

- (a) If all can be given effect without contradiction in substance, each shall be given effect.**
- (b) If one or more contradict in substance the other or others, the measure which received the largest favorable vote, and any other approved measure compatible with it, shall be given effect. If the one or more measures that contradict in substance the other or others receive the same number of favorable votes, none of the measures that contradict another shall be given effect.**

6. If, at the same election as the first approval of a constitutional amendment pursuant to this Section, another amendment is finally approved pursuant to this Section, or an amendment proposed by the Legislature is ratified, which affects the same section of the Constitution but is compatible with the amendment given first approval, the Secretary of State shall publish and resubmit at the next general election the amendment given first approval as a further amendment to the Section as amended by the amendment given final approval or ratified. If the amendment finally approved or ratified contradicts in substance the amendment given first approval, the Secretary of State shall not submit the amendment given first approval to the voters again.

SECTION A. BALLOT TITLE

THE CONGRESSIONAL TERM LIMITS ACT OF 1996. THIS AMENDMENT TO THE CONSTITUTION OF NEVADA INFORMS CITIZENS ON THE VOTING RECORD OF INCUMBENT STATE AND FEDERAL LEGISLATORS AND ON A FEDERAL CONSTITUTIONAL AMENDMENT LIMITING THE MEMBERS OF THE UNITED STATES HOUSE OF REPRESENTATIVES TO THREE TERMS AND MEMBERS OF THE UNITED STATES SENATE TO TWO TERMS. THIS AMENDMENT ALSO INFORMS THE VOTERS ABOUT THE POSITION OF NON-INCUMBENT CANDIDATES TOWARD THE SAME CONGRESSIONAL TERM LIMITS. THIS AMENDMENT INSTRUCTS STATE LEGISLATORS TO APPLY TO THE CONGRESS TO CONVENE AN ARTICLE 5 CONVENTION UPON THE APPLICATIONS OF TWO-THIRDS OF THE STATES (34) FOR THE PURPOSE OF PROPOSING AN AMENDMENT TO THE UNITED STATES CONSTITUTION TO LIMIT CONGRESSIONAL TERMS TO THREE TERMS IN THE UNITED STATES HOUSE OF REPRESENTATIVES AND TWO TERMS IN THE UNITED STATES SENATE. THIS AMENDMENT INSTRUCTS MEMBERS OF CONGRESS FROM NEVADA TO WORK TO PROPOSE A CONGRESSIONAL TERM LIMITS AMENDMENT TO THE CONSTITUTION. A TERM LIMITS AMENDMENT PROPOSED EITHER BY CONGRESS OR BY AN ARTICLE 5 CONVENTION WOULD BECOME PART OF THE UNITED STATES CONSTITUTION UPON RATIFICATION BY THREE-FOURTHS OF THE STATES (38).

SECTION B. PREAMBLE

The People of the State of Nevada want to amend the United States Constitution to establish Term Limits on Congress that will ensure representation in Congress by true citizen lawmakers. The President of the United States is limited by the XXII Amendment to two terms in office. Governors in forty (40) states are limited to two terms or less. Voters have established term limits for over 2,000 state legislators as well as over 17,000 local officials across the country. Nevada voters have supported such limits.

Nevertheless Congress has ignored our desire for Term Limits not only by proposing excessively long terms for its own members but also by utterly refusing to pass an amendment for genuine

Congressional term limits. Congress has a clear conflict of interest in proposing a term limits amendment to the United States Constitution. A majority of both Republicans and Democrats in the 104th Congress voted against a constitutional amendment containing the term limits passed by a wide margin of Nevada voters.

The People, not Congress, should set Term Limits. We hereby establish as the official position of the Citizens and State of Nevada that our elected officials should enact by Constitutional Amendment congressional Term Limits of three (3) terms in the United States House of Representatives, and of two (2) terms in the United States Senate.

The career politicians dominating Congress have a conflict of interest that prevents Congress from being what the Founders intended, the branch of government closest to the people. The politicians have refused to heed the will of the people for term limits; they have voted to dramatically raise their own pay; they have provided lavish million dollar pensions for themselves; and they have granted themselves numerous other privileges at the expense of the people. Most importantly, members of Congress have enriched themselves while running up huge deficits to support their spending. They have put the government nearly \$5,000,000,000.00 (five trillion dollars) in debt, gravely threatening the future of our children and grandchildren.

The corruption and appearance of corruption brought about by political careerism is destructive to the proper functioning of the first branch of our representative government. Congress has grown increasingly distant from the People of the States. The People have the sovereign right and a compelling interest in creating a citizen Congress that will more effectively protect our freedom and prosperity. This interest and right may not effectively be served in any way other than that proposed by this initiative.

We hereby state our intentions on behalf of the People of Nevada, that this Amendment lead to the adoption of the following Constitutional Amendment:

CONGRESSIONAL TERM LIMITS AMENDMENT

Section 1. No person shall serve in the office of the United States Representative for more than three terms, but upon ratification of this amendment no person who has held the office of United States Representative or who then holds the office shall serve for more than two additional terms.

Section 2. No person shall serve in the office of United States Senator for more than two terms, but upon ratification of this amendment no person who has held the office of United States Senator or who then holds the office shall serve for more than one additional term.

Section 3. This article shall have no time limit within which it must be ratified by the legislatures of three-fourths of the several States.

Therefore, We, the People of the State of Nevada, have chosen to amend the state constitution to inform voters regarding incumbent and non-incumbent federal and state legislative candidates' support for the above proposed **CONGRESSIONAL TERM LIMITS AMENDMENT**.

SECTION C. VOTER INSTRUCTION ON TERM LIMITS FOR MEMBERS OF CONGRESS

- 1. Non-incumbent candidates for United States Senator and Representative, and the Nevada Legislature shall be given an opportunity to take a "Term Limits" pledge regarding term limits each time he or she files to run for such office. Any such candidate who declines to take the "Term**

Limits" pledge shall have the information "DECLINED TO PLEDGE TO SUPPORT TERM LIMITS" printed adjacent to his or her name on every primary and general election ballot.

2. The "Term Limits" pledge shall be offered to non-incumbent candidates for United States Senator and Representative, and the Nevada Legislature until a Constitutional Amendment which limits the number of terms of United States Senators to no more than two and United States Representatives to no more than three shall have become part of our United States Constitution.

3. The "Term Limits" pledge that each non-incumbent candidate, set forth above, shall be offered is as follows:

I support term limits and pledge to use all my legislative powers to enact the proposed Constitutional Amendment set forth in the Term Limits Act of 1996. If elected, I pledge to vote in such a way that the designation "DISREGARDED VOTER INSTRUCTION ON TERM LIMITS" will not appear adjacent to my name.
